Pool Fobs

You will need a fob to use either pool this year. Your key will no longer work. To get a fob, you will need to bring an ID and a utility bill with your address on it.

You can come to a Board Meeting to get a fob or contact us via email to schedule a time. Also look on Facebook for any special times.

We are trying to get these to everyone so please let your neighbors know how to get one.

Thanks!

There are many homes that have great curb appeal. If you see one, let us know and we will post a picture.

WANTED STRAY CATS NOT NEUTERED

If you know of a cat that does not have a clipped ear and is in your neighborhood, please email us so we can capture the cat, fix it and return it. We need to help stop the breeding of so many cats. We have contacted a person who cares for these stray cats and wants to help us catch them.

We would love some help with these items

- Beautification Committee
- Architectural Committee
- Special Projects

If we all work together our community will only get better. Email if you are interested.
